Sponsorship Opportunities

A key part of any CIM User Group meeting is having the support of sponsoring companies. The host utility for this meeting is AEP. There are numerous sponsorship opportunities available. Sponsors are able to participate in the entirety of the conference, spending two-days with meeting attendees. No other conference brings together CIM users in a highly focused setting.

All levels of sponsorship include at minimum:

- One conference pass (Except Demonstration Table Sponsors).
- Company branding on conference website and onsite signage.
- Two-days of networking and engaging with CIM users from around the globe.
- Access to the pre and post-conference attendee lists with full contact information.

Several different sponsorship opportunities are available! But you need to act fast, because sponsorship spaces are limited and are available on a first come basis.

- Vendor Evening Reception Sponsor
- Delegate Luncheon Sponsor
- Demonstration Table Sponsor

For details on the sponsorship opportunities available to your company, download the Sponsor Prospectus [here](#).
